## Easter Hat Parade Stage Winners

Congratulations to our Stage winners who participated in our Egg-cellent Easter Hat Parade wearing beautifully decorated Easter hats. These students were presented with an Easter medal, Easter pencil and of course an Easter egg for their creative designs.

Last week, on Thursday 28th March, we held our Easter Hat Parade and Easter Raffle. This event is always an exciting, fun time for the students. It was great to see so many smiling faces and plenty of creative hat designs, we have some very talented children! It was also very special to have the Easter Bunny visit this year. ### You Are a Doughnut!

It's true! You are a great big fleshy lump with a remarkable hole all the way through your middle - your digestive system.

You Are a Doughnut is a 'Science Theatre' production that is as entertaining as it is educational!

Students in Stage 2 & 3 enjoyed exploring the many twists, turns and intestinal intricacies of the human digestive system.

## Cross Country

This week we held our cross country. We had a beautiful sunny day which made it a very pleasant day all round. Congratulations to all those students who have qualified to go to the next level.

## Kindergarten Term 1

What a great start everyone in Kindergarten has made to the school year. We are amazed by the children's confidence, enthusiasm and how quickly they have adjusted to our school values and routines.
